

FREE premium ecowash for AHRI members when packaging a new car! (valued at up to \$105)

We all like to see our pride and joy looking as good as the day we bought it but with water restrictions and the cost of detailing, it rarely happens. We at **Autopia** understand and want to help your car to look its best.

What is a premium ecowash?

ecowash mobile is the nation-wide waterless car washing service that is convenient AND environmentally friendly. An **ecowash mobile** detailer will come to your home or place of work* and:

- Clean, polish and protect all exterior surfaces of your car
- Clean and polish all your windows inside and out using an anti-fog, window tint friendly glass treatment
- Condition your tyres shiny black
- Polish and protect your wheels
- Remove all dirt from your dash and trims using state of the art anti-static plastic and vinyl protector
- Vacuum your carpets and seats

***ecowash mobile** may not be available in some rural locations.

What do I have to do to claim the FREE premium ecowash?

- Just mention that you are an AHRI member when you take delivery of your new vehicle on AutoPackage between October 2009 and the 30th September 2010 (Autopia will need to substantiate your membership)
- Complete the form below and return to your **Autopia** Associate during the promotion period
- This promotion is not valid with any other offer

Once the completed form is received, you will receive a gift voucher for a **premium ecowash** within 28 days.

Why not forward this promotion to your friends and colleagues as well? Everyone can benefit by contacting your **Autopia Associate** on 1800 AUTOPIA!!!
